✓ **KEY TASKS COMPLETED:**

<b>TASK</b>	<b>STATUS</b>	<b>DETAILS</b>
<b>Second Supervisor Selection</b>	Completed	Secured Confirmation from <b>Mr. Aamir Zia</b> from the department of Computer Science. A primary factor in his selection was his strongest interest and engagement with our specific project topic. Furthermore, He is

		exceptionally proactive in updating his knowledge with rapidly changing technologies and trends.
<b>Project Proposal</b>	Completed	Created a high level structure for the <b>Final Year Project proposal</b> , including sections for Abstract, Bckground, Research Methodology and References.
<b>Research Papers Review</b>	Completed	Four primary research papers were read and discussed by the team this week. We held a combined, in depth discussion to share key takeaways and synthesize the literature review findings.
<b>Internal Supervisor Meeting</b>	Completed	Met with our internal supervisor on <b>2<sup>nd</sup> October</b> to confirm the second supervisor selection and review the proposal outline.
